Senator Sherman said to your correspo that he (Sherman) had written, he would that he had in his posession. Beyond that, he knew nothing about this affair.

License Fees of Meamboat Officers

ecial Dispatch to the Intelligencer.

Washington, March 30.—Mr. Butterworth called up in the House this morning Mr. McWilliams' Senate bill No. 383, relative to the license fees of officers of steam vessels which passed the Senate a few days since, and it was passed by a unanimiou vote. It provides that section 4458 of the Restriking out of the paragraph, beginning in the eighth line thereof, the following words: Each master, chief engineer and first class pilot, licensed as herein provided, shall pay for every certificate granted by any e spector or inspectors the sum of \$10; and inferior grade, shall pay for every certificate so granted the sum of \$5;" and inserin lieu thereof the following: "Each mas ter, engineer, pilot and mate, licensed as herein provided, shall pay for every certificate granted by any inspector or inspectors the sum of fifty cents."

Going to Strike an Average.

Special Dispatch to the Intelligencer, Washington, March 30.—A Republicar member of the Ways and Means Committee, speaking of the consideration of the JAMES RANKIN has sold his farm (133 tariff question by the present Congress, acres) near this place to John Porterfield said that the Democrats were splitting their for \$7,315. The James Kerr farm of 80 differences upon this subject, and would acres, near town, was sold last Saturday to be found solid for some pelicy before the Samuel Clark for \$65 per acre. Probate Judge Cochran bought the Rev. Hugh Parks tarm of 40 acres, one mile west of this place, on Friday, for \$101.50 per acre.

—St. Clairwille Guzette. and they are seeking out some means of striking an average that all can support. The Republican above referred to said that The Republican above referred to said that the party would "find its level" in a tariff for revenue only, and would unite in securing this without regard to individual preferences, and that it was to be regretted that the Republican party in the House was not as strongly united in its purposes upon this question.

"The pork bill provides for the inspection in France, by experts appointed by the Minister of Commerce, who shall have the right to prescribe the mode of examination. The last clause introduced by the ment of a microscopic examination. Our friends and former Minister of Commerce uponosed it."

Washington, D. C., March 30.—A dele gation from West Virginia, composed of and,business men of Montreal, Quebec, and Gen. Nathan, Goff. Ex-Secretary of the Toronto, arrived this morning from Chicago. Gen. Nathan Goff, Ex-Secretary of the Gen. Nathan Goff, Ex-Secretary of the Navy, State Senator J. J. Wood, Levi places of interest in the city, and leave this Johnson and James S. Watson members evening for Canada.

of the Legislature, and Harvey Kain, Sargent at-Arms of the House, Postmaster Sterling of Wheeling, and Mr. Pugh, called upon the President this morning to endorse Judge Edwin Maxwell, for the position of Judge of the Court of claims.

wenty-three ladies aboard the ill-fated steamer, but two of whom, so faras known, were saved. J. H. Cronk, connected with Stowe's circus, is missing, and is supposed to be lost. John Devoure, his wife and three children, were saved and are at the city hospital. Mr. Devoure is slightly burned on the hands.

THE STEAMER AND THE OWNERS. The Golden City was five years old and cost \$50,000; insured for \$30,000 in Cincinnat

cost \$50,000; insured for \$50,000 ih Clincinnati offices. She was owned by Captain J. D. F. McIntyre and S. C. McIntyre. She lies sunk about two miles below here, in the chule, near the Tennessee shore. When she floated of from the wharf about twenty of her messagger and caper impred about she floated off from the wharf about twenty of her passengers and crew jumped aboard a barge which was floating down the stream, but they were rescued by one of the harbor boats, which towed the barge into shore one mile below the city. It is estimated that thirty-five lives were lost by the disaster, but at present no additional names to be can be learned. Robert Kelly, second engineer, and three rousthouts are the only John Dreffer, stewart; Peter Dreffer, cook, John Ender, John Hill, second mate; Charles Harvey, second watchman, and a passenger named Bloomfield were saved. CAUSE OF THE PIRE,

of tricbinosis.

Dr. Rauch, Secretary of the Health Board of Illinois, reports only eleven deaths from trichinosis in the whole State which started amidship of the steamen in sixteen years, and traced in each case to She had just whistled to land and the In sixteen years, and raced disease case to see find just whisted to land and the cating raw pork. The City Physician of Chicago states that the records show only two cases there in four years, which were also due to enting graperoached and those that were despreased by the pork. The places mentioned are the proposed in some jute, and graperoached pork producing and consulring districts in the United States, while the whole country consumes more pork per seemer.

steamer.

Brice Purcell, the pilot, made his escap Brice Purcell, the pilot, made his escape by climbing over the front of the pilot house, as the fire was in the rear of him combined the what was the first reported, but was sunk by the burning steamer.

In making the landing several coal barges and ice floats belonging to Bohlen, and the steamer was the floated down the bean Adams, as as the floated down the stream.

All the passengers and crew were kindly are dorty. Hotel, who provided breakfast for them.

the centre of the steamer, and as quick as a flash spread to either side of the steamer and up to the cabin. Haley ran up stalrs to notify the head engineer, but by the time he reached the harricane deck the flames had mounted to the pilot house and he was driven back by the fire. He then rang the alarm bell, and seeing the boat was supressing the stale seeing the boat

rang the slarm bell, and seeing the boat was approaching the shore ran down the forward stairs and jumped on board the tug Oriole just as the Golden City struck her. Seeing that the tug was sinking he sprang aboard the steamer again and made his way to a coal bargelying along the side. Two negro deck hands and a white deck passenger were killed as the tug was struck, as they were cuight between the bow of the boat and the side of the tug. Anna Boyd, the colored chambernaid, and her assistant, were both lost. Mike Malloy and Pat Kinney, firemen, were saved; also M. J. Whelan, second baker. Whelan says he jumped overboard from the steamer as she was about ten feet from shore. There were about ten men on the fan-tail of the boat, who must have been drowned, as when he leaped into the river he saw three men go overboard and drown. The others must have shared the same fate.

ays there was a merry party aboard and early all the passengers remained up un-l midn ght. They had one or two gentle-neu aboard who played the piano and

Those saved had to flee for their lives without taking time to save their effects.

The following (colored) of the crew of the steamer were saved: Bob Morris, second steward; Jim Miller, texas tender, Charles Wilson, cabin boy; Henry White, Bob Wallace, berth makers; Charles Gutbrie, cabin watchman; Isaac Dickson, shiner; Ransom L. Watkins and Jesse Willett.

middle, and as the flames enveloped. It he heard no cry from a single beast as the animals burned. The six cages contained lions, tigers, two leopards, an Albino deer, monkeys and birds. Four horses also belonging to the circus were aboard, and they saved but one. The celebrated trick horse Selim, was lost.

THE STEAMER AND HER EQUIPMENT.

horse Selim, was lost.

THE STEAMER AND HER EQUIPMENT.
CINCINATI, March 30.—The owners, officers and erew of the Golden City reside in this city. The owners are Capt. J. D. Hegler, Sterling C. McIntire, and W. F. McIntire. She was valued at \$40,000 and insured for \$30,000 in Clincinati commanies. She was built in 1820 and 1820.

Safety.

Not This Time.

Nashville, March 30.—Robt. McKinley will not be hanged here to-morrow, his case having been remanded for a new trial McKinley, himself a convict, killed another convict in the State prison. The witnesses to the murder wele convicts. The question whether a convict's testimony is competent against another convict has come up for the first time in the history of Tennessee. The Governor in his proclamation calling a special session of the Legislature asks it to pass a law making the testimony of convicts competent in certain cases.

Washington, March 30.—In the Senate

VOLUME XXX .-- NUMBER 188.

o-day a resolution declaring in favor the reciprocal trade regulations with Mexico was reported favorably.

Mr. McMillan reported, with amendment (striking out the power to issue bonds and mortgages on bridge property), the

a bridge across the Mississippi at or near Keithsburg, Ill., and establish it as a post route. The Senate bill on this subject was indefinitely postponed.

Mr. Van Wyck, from the committee on Public Lands, reported a substitute for the bill for the relief of settlers and purchasers of land in the public domain in Nebruska.

The Indian Appropriation bill was taken up and an amendment adopted approprisating \$50,000 for schools, lands, agricultural implements and seeds for the Seminoles in Florida.

The Senate next took up, and Mr. Hoan earnestly advocated, his amendment to ap-propriate \$2,000,000 for the education of all Indian children (except those of the five civilized tribes) west of the Mississippi

river, and \$200 each per annum.

Mr. Plumb antagonized the position taken by Mr. Hoar as to the duty of the American people to the Indians, and Mr. Hoar announced that he would to-morrow modify his amendment by reducing the ap-

The House refused to consider the Utah The House refused to consider the Utah contested election case, and went into committee of the whole on the tariff commission bill and Mr. Dunnell addressed the committee. He opposed the bill simply and solely on the ground that the present tariff needed a revision, and that this Congress had no business to adopt any method which would put the revision beyond itself. The tariff needed a change, a modification, and a revision, and it was the duty of Congress to immediately enter on the work and not indefinitely postpone it by the appointment of a tariff commission:

Mr. Hewitt, of New York followed and

indefinitely postpone it by the appointment of a tariff commission:

Mr. Hewitt, of New York, followed and read from a speech of Kasson in 1866, to show that he had changed his views on the tariff. He then addressed himself to the bill and had read the following resolutions, which he stated he would offer as soon as the debate closed:

Resolved, That the bill creating the tariff commission be recommitted with instructions of the committee on Ways and Means to report within thirty days, or at an earlier date, if it be practicable, a bill based upon the following instructions:

lowing instructions:

subjected to any process of manufacture, and all waste products, meaning thereby all waste materials which are fit only to be manufactured; and all chemicals which are not produced in this country, and alcohol for use in manufactures, shall be placed upon the free list.

upon the free list.

Second—That so far as possible specific duties shall be substituted for ad valorem duties, and that in determining such specific duties the average dutiable value of the imports for the last three years shall be taken as the standard of value, upon which no higher rate of duty shall be imposed than shall be necessary to compensate for the difference in the cost of labor at home and abroad expended in the production of such products, after making due allowance for the expenses of transportation, and that rate of duty shall not in any case, except on luxuries, exceed fifty per cent of such average dutiable value.

value.

Mr. Hewitt then opposed the Commission bill on the ground that it would cause delay, and when he had concluded the Committee rose.
